## Nissan X-Trail recall

 SEPTEMBER 21, 2012

Nissan Ireland is conducting a voluntary recall of Nissan X-Trail vehicles because of a potential problem which could lead to smoke emitting from the engine compartment.

Affected vehicles were manufactured during the period between November 2006 and April 2012.

This recall involves 1, 259 vehicles in Ireland.

### What to do:

If you believe you may be affected by this problem, please contact your local Nissan dealer who will arrange for an inspection of your vehicle and free re-fit if necessary. Information about the recall can also be obtained from Nissan Ireland on (01) 409 1100
