

PRODUCT RECALLS

Online Home Shop Recalls Electric Heated Blankets.

📅 MAY 31, 2023

Online Home Shop is carrying out a recall of Electric Heated Blankets.

The product presents a serious fire hazard risk and may also pose a risk of electric shock as the product does not meet the requirements of the relevant safety standard.

The brand is Online Home Shop. The batch codes are PO1712, PO1479, PO1478, PO1205. The type/number of models are OBEBPOLCL13 and OBEBPOLWH02. The barcodes are 5027434145454 and 5027434145461. The Amazon ASIN numbers are B0BBG7J673 and B0BBH1L6XW.

The product was on sale between September 2022 to January 2023. 2 products were sold online through the Online Home Shop platform and 10 products were sold online through the Amazon Platform.

What to do:

If you purchased one of these products, please unplug the electric blanket and discontinue use immediately.

If customers purchased their product on the Online Home Shop Platform, please see the instructions provided by Online Home Shop [🔗 here](#). For any further queries please email the customer services centre at recalls@onlinehomeshop.com or alternatively, you can call +44 161 794 9213 for more information on returns.

If customers purchased their product on the Amazon platform You may wish to contact Amazon to see if there are any remedies available to you. This can be done via your user account on Amazon.
