The risk reported to the CCPC is choking. Due to stitching issues, the seams of the toy could be torn. A small child may put the filling into their mouth and choke.

The brand is Petjes World.

There are approximately 468 affected products in the Republic of Ireland.

What to do:

If you purchased one of these products, please discontinue use immediately and keep it out of the reach of children.

You can return the product to the place of purchase for a full refund. If you have any further queries in relation to this recall, please contact Petjes World ApS at info@petjesworld.dk
