## Polaris recalls certain Model Year 2021-2023 Polaris Sportsman 450 and 570 ATVs

📅 JULY 13, 2023

Polaris is carrying out a recall of certain Model Year 2021-2023 Polaris Sportsman 450 & 570 ATVs.

The affected products were manufactured from 2021 to 2023.

The risk associated with the product is that of Fire and Injuries. One wiring harness may not have been properly positioned. As a result, the cables may touch the brake line and/or the vehicle frame, which may result in a failure of the front wheel brakes as well as in a fire, leading to serious injuries.

The brand is Polaris. The type/number of models are Sportsman 450 and Sportsman 570.

There are approximately 6 affected products in the Republic of Ireland.

### What to do:

If you purchased one of these products please discontinue use immediately and contact a Polaris dealer to schedule a free repair. To check if your model is affected please visit the [🔗 Off-Road Safety Recalls page](#) or call Polaris directly at +44 3300415146
