Primark Ltd., trading as Penneys in the Republic of Ireland, is carrying out a voluntary recall of a wide range of cushions from the Irish market. The safety concern is that the cushion's filling, if placed under prolonged exposure to an ignition source, may pose a flammability risk. There have been no injuries reported. The affected products were on sale between 04 June 2017 and

13 February 2018 in all Penneys stores throughout Ireland. Approximately 64,000 units has been sold in the ROI.

What to do:

Penneys have advised customers to return it to any Primark® store where a full refund will be provided. Customers will not be required to provide proof of purchase.
