Product Safety Information Notice on a Baby's dummy sold by AliExpress

📅 FEBRUARY 28, 2024

A safety issue has been identified with a Baby's dummy sold by AliExpress platform.

The product presents a chemical risk. The product contains Bisphenol A (BPA), a recognised endocrine disruptor. BPA may damage fertility and has been identified as a substance affecting the hormonal systems of humans and animals.

The Aliexpress product id is 1005003716829266. The brand, model, batch number and barcode are unknown.

The product was sold online through the Aliexpress platform. There are approximately 4 affected products in the Republic of Ireland.

What to do:

If you purchased one of these products, please stop use immediately and discard the product. You may wish to contact AliExpress to see if there are any remedies available to you. This can be done via your user account on the AliExpress platform.
