## Product Safety Information Notice on a baby soother sold on the Wish Platform

📅 DECEMBER 8, 2021

A safety issue has been identified with the following baby soother which was available on the Wish platform.

There is a presence of bisphenol A (BPA) in the product. BPA can have serious consequences on fertility and has been identified as a substance with effects on the hormonal system of humans and animals.

There are approximately 147 affected products in the Republic of Ireland.

### What to do:

If you believe that you may have purchased an affected product, discontinue use immediately and discard the product immediately. Purchasers of these products from the Wish platform will be alerted by Wish of this issue.
