## Product Safety Information Notice on a Bear Soft Toy

📅 MARCH 3, 2022

A safety issue has been identified with a bear soft toy sold on the Wish platform

The risk associated with the product is that of choking due to the eyes being small parts. There is also a risk of suffocation with the non-permeable plastic bag packaging which has an average thickness less than 0.038mm.

The brand is unknown. The type/number of model is unknown. The batch number is unknown. The barcode is unknown.

The product was sold online through the Wish platform. Five products were sold to consumers in the Republic of Ireland.

### What to do:

If you purchased one of these products, please discontinue use immediately, discard the product immediately and keep it out of the reach of children. You may wish to contact the online store from where you purchased this product to see if there are any remedies available to you. This can be done via your user account on the relevant platform.
