Product Safety Information Notice on a certain Life Jacket sold on Amazon

📅 APRIL 14, 2023

A safety issue has been identified with a certain Life Jacket sold on Amazon.

The affected products present a risk of drowning. The product was not supplied with the required compliance documentation or markings to demonstrate that it had been adequately tested. The absence of such independent assessment for such a product may increase the risk to the consumer that the product may not perform as expected when relied upon to protect them from harm in the water.

The batch number is 2022022207. The unique Amazon Standard Identification Number (ASIN) is B09Z6XD77H. Model number is 150N. The brand and barcode are unknown.

There was approximately 1 affected product in the Republic of Ireland. The affected product was sold on Amazon.

What to Do

If you purchased one of these products, please discontinue use immediately. You may wish to contact Amazon to see if there are any remedies available to you. This can be done via your user account on Amazon.
