Product Safety Information Notice on a Comfee gas hob sold on Amazon

📅 DECEMBER 19, 2023

A safety issue has been identified with a Comfee gas hob, Gas Supply Elbow Joint sold on Amazon.

Certain gas supply elbow joints from the gas hob to the gas supply may fracture, which can cause gas to leak through the fracture. This presents a possible risk of burns, fire, explosion and poisoning from inhalation which could pose a risk to health, or even death.

The brand is Comfee. The model number is GH403GL. The ASIN number is B09RB3HYF1. The batch number and barcode are unknown.

We currently understand the number of products sold through Amazon to customers in the Republic of Ireland is 11.

What to do:

It is vitally important that consumers do not use their gas hob. The gas hobs above must be urgently inspected and modified. This will be conducted free of charge by a Registered Gas Installer.

If customers are affected by this issue they can contact Comfee at 1800 456 860 or by email on ComfeeSupportIRL@tmti.net.

In the meantime, if you smell gas, please contact Gas Networks Ireland immediately on 1800 20 50 50.
