Product Safety Information Notice on a Dancing Cactus Plush Toy YY7 sold on the Amazon platform

📅 MARCH 22, 2023

A safety issue has been identified with a Dancing Cactus Plush Toy YY7 sold on the Amazon platform.

The product presents a risk of asphyxiation as the flexible plastic bag used for packaging itself causes the danger.

The brand, the model number and batch number are unknown. The Amazon ASIN is B09JBL2JKK. The barcode is X001KF42EH.

The product was sold online through the Amazon platform. There are approximately 91 affected products in the Republic of Ireland.

What to do:

If you purchased one of these products please stop using the product immediately, the packaging itself causes danger and it should be removed from the product immediately and kept away from children. You may wish to contact Amazon to see if there are any remedies available to you. This can be done via your user account on Amazon.
