## Product Safety Information Notice on a Early Childhood Education Flashlight on the AliExpress platform

📅 JUNE 19, 2023

A safety issue has been identified with a Early Childhood Education Flashlight on the AliExpress platform.

The risk reported to the CCPC is that of choking and chemical. The battery compartment can be easily opened, leaving the button batteries accessible. A child may put them in the mouth and choke on them or they can be swallowed, which could cause damage to the child's gastrointestinal tract.

The model number is LP12145622LAN. The brand, the bar code and the batch number are unknown.

The number sold by the AliExpress platform is unknown, however, given the online availability of this product, it may have been sold to customers in the Republic of Ireland.

### What to do:

If you purchased one of these products, please discontinue use immediately and keep it out of the reach of children. You may wish to contact AliExpress to see if there are any remedies available to you. This can be done via your user account on the AliExpress platform.
