Product Safety Information Notice on a EUMEPRO Respiratory protective face mask sold on Amazon

📅 SEPTEMBER 19, 2023

A safety issue has been identified with an EUMEPRO Respiratory protective face mask sold on Amazon:

The product presents a health risk. The total filtration capacity of the mask is insufficient. Consequently, the product does not comply with the requirements of the relevant safety standard. The product may not properly protect.

The brand is EUMEPRO. The ASIN numbers are B09GXGRC6X, B09GXGS3PV and B09GXP72J4. The Type/number of models is Comfort L FFP2 NR. The batch number is 500520/1-1. The barcode is 4260685420357.

The product was sold online through Amazon. There are approximately 35 affected products in the Republic of Ireland.

What to do:

If you purchased one of these products, please discontinue use immediately. You may wish to contact Amazon to see if there are any remedies available to you. This can be done via your

user account on Amazon.
