Product Safety Information Notice on a Four-Post Fishing Toy sold on Amazon

📅 JANUARY 24, 2024

A safety issue has been identified with a Four-Post Fishing Toy sold on Amazon.

The product presents a risk of choking as the toy can easily break into smaller parts which a small child may place in the mouth and swallow presenting a choking hazard for young children. The flexible plastic bag used for the packaging has a thickness less than the minimum requirement, and therefore presents a potential asphyxiation or suffocation hazard.

The barcode is X001QVPGX1. The Amazon ASIN is B0BZDVJTYW. The brand, model number and batch number are unknown.

The product was sold online through Amazon. There are approximately 4 affected products in the Republic of Ireland.

What to do:

If you purchased one of these products, please discontinue use immediately. You may wish to contact Amazon to see if there are any remedies available to you. This can be done via your user account on Amazon.
