## Product Safety Information Notice on a Giraffe Soft Toy sold on the Wish Platform

📅 JULY 16, 2021

A safety issue has been identified with the following toy product which was available on the Wish platform:

There is a choking and suffocation risk with the soft toy as the small chain of the toy could become detached and be ingested by a small child, leading to the risk of choking and/or suffocation. The brand, type/number of the model, batch number and barcode are unknown.

There were 26 units of the Giraffe Soft Toy sold to consumers in the Republic of Ireland.

The soft toy was sold online through the Wish platform.

### What to do:

If you believe that you may have purchased an affected product, discontinue use immediately, discard the product immediately and keep it out of the reach of children. Purchasers of these products from the Wish platform will be immediately alerted by Wish and issued with full refunds.
