Product Safety Information Notice on a GPA Casque d'équitation Riding Helmet

📅 JANUARY 17, 2024

A safety issue has been identified with a GPA Casque d'équitation Riding Helmet.

The product presents a risk of cuts. The peak of the hat can easily break, resulting in sharp edges which can create cuts in the user's head and face.

The brand is GPA. The type/number of models are First Lady, Little Lady, First lady concept and First Lady 2X. The batch numbers are 20xx, 22xx and 21xx. The barcode is unknown.

The product was sold online through www.gpa-sport.com. There are approximately 2 affected products in the Republic of Ireland.

What to do:

If you purchased one of these products, please discontinue use immediately. You may wish to contact GPA Sports to see if there are any remedies available to you. This can be done by emailing contact@gpa-sport.com
