Product Safety Information Notice on a Hirsrian Fluffy Slime Toy sold on the Amazon platform

📅 MAY 3, 2023

A safety issue has been identified with Hirsrian Fluffy Slime Toy sold on the Amazon platform.

The product presents a chemical risk as it contains excessively high levels of boron. Exposure to increased levels of boron may result in skin irritation, diarrhoea or vomiting. There can also be long-term impacts on children's health.

The brand is Hirsrian. The Amazon ASIN number is B075TDGD3R. The type/number of model, batch number and the barcode are unknown.

The product was sold online through the Amazon platform. There are approximately 12 affected products in the Republic of Ireland.

What to do:

If you purchased one of these products please discontinue use immediately and keep it out of the reach of children. You may wish to contact Amazon to see if there are any remedies available to you. This can be done via your user account on Amazon.
