## Product Safety Information Notice on a Leere Lighting Fixture/Empty Lighting Fixture sold on the Amazon platform

📅 MARCH 23, 2023

A safety issue has been identified with a Leere Lighting Fixture/Empty Lighting Fixture sold on the Amazon Platform.

The product presents a risk of electric shock as because of the lack of earthing, the user could receive a mains voltage electric shock if they were to touch the metal part of the lamp.

The brand, batch number and barcode are unknown. The Amazon ASIN is B07SCZDX66. The model number is JP-7408.

The product was sold online through Amazon platform. There are approximately 147 affected products in the Republic of Ireland.

### What to do:

If you purchased one of these products please stop using the product immediately. You may wish to contact Amazon to see if there are any remedies available to you. This can be done via your user account on Amazon.
