Product Safety Information Notice on a Lesvtu Electric Portable Plug in Heater sold on the Amazon platform

📅 MARCH 30, 2023

A safety issue has been identified with a Lesvtu Electric Portable Plug in Heater-Low Energy Mini Plug in Wall Heater with Adjustable Thermostat and 12H Timer Led Display, Energy Efficient Small Ceramic Fan Heater for Office Home Room Bathroom sold on the Amazon platform.

The product presents a risk of electric shock and fire as counterfeit fuses have been used in the plug for the heater.

The brand is Lesvtu. The model number, Amazon ASIN, batch number and the barcode are unknown.

The product was sold online through the Amazon platform. There are approximately 8 affected products in the Republic of Ireland.

What to do:

If you purchased one of these products, please discontinue use immediately. You may wish to contact Amazon to see if there are any remedies available to you. This can be done via your user account on the Amazon platform.
