Product Safety Information Notice on a Lominie Aquarium Light sold on Amazon

📅 FEBRUARY 13, 2024

A safety issue has been identified with a Lominie Aquarium Light sold on Amazon.

The product presents a risk of electric shock. The plug pins are difficult to fit into a socket due to its irregularities. If the product is forced in repeatedly, the socket connectors will wear down, and the socket will become unsafe to use. If the product is used when the socket is damaged, it may electrocute the consumer.

The Amazon ASIN is B0BFWZL8WD. The barcode is X001N27T5V. The brand, model number and batch number are unknown.

The product was sold online through Amazon. There is approximately 1 affected product in the Republic of Ireland.

What to do:

If you purchased one of these products, please discontinue use immediately. You may wish to contact Amazon to see if there are any remedies available to you. This can be done via your user account on Amazon.
