Product Safety Information Notice on a Mushie Soother Holder

📅 JULY 22, 2022

A safety issue has been identified with a Mushie Soother Holder sold on a number of online platforms:

The risk associated with the product is that of choking. One of the natural wood beads can break into several small parts, which can be placed in the mouth by a young child and swallowed. The small parts can block the respiratory tract and cause the child to suffocate. The thickness of the cord is also insufficient.

The brand is Mushie. The type/number of model is CLEO. The batch number is unknown. The barcode is 7426999778646.

There are approximately 445 affected products in the Republic of Ireland.

What to do:

If you purchased one of these products, please discontinue use immediately and keep it out of the reach of children.

You may wish to contact the online store from where you purchased this product to see if there are any remedies available to you.
