Product Safety Information Notice on a plastic doll toy sold on the AliExpress Platform

📅 FEBRUARY 4, 2022

A safety issue has been identified with the following plastic doll toy which was available on the AliExpress platform.

A safety issue has been identified where the plastic material of the product (in particular the head of the doll) contains an excessive amount of bis(2-ethylhexyl) phthalate (DEHP). This phthalate may harm the health of children, causing possible damage to their reproductive system.

Given the online availability of this product, it may have been sold to customers in the Republic of Ireland.

What to do:

If you believe that you may have purchased an affected product, discontinue use immediately and discard the product immediately. You may wish to contact the online store from where you purchased this product to see if there are any remedies available to you. This can be done via your user account on the relevant platform.
