## Product Safety Information Notice on a Senye Army Combat Max Gun sold on Amazon

📅 JANUARY 24, 2024

A safety issue has been identified with a Senye Army Combat Max Gun sold on Amazon.

The product presents a risk of injuries as the toy may allow sharp objects to be placed into the chamber and fired. This would make the object be able to penetrate the skin if the user or a third party was hit which may cause injuries.

The model number is SY007. The Amazon ASIN is B07GT5XQ84. The brand, barcode and batch number are unknown.

The product was sold online through Amazon. There are approximately 76 affected products in the Republic of Ireland.

### What to do:

If you purchased one of these products, please discontinue use immediately. You may wish to contact Amazon to see if there are any remedies available to you. This can be done via your user account on Amazon.
