## Product Safety Information Notice on a Set of Stacking Cups for Toddlers

📅 FEBRUARY 18, 2022

A safety issue has been identified with a set of stacking cups in assorted colours for toddlers sold on the Wish platform.

The risk associated with the product is that of suffocation. The cups are large enough to cover a young child's mouth and nose, but some of the cups lack the necessary openings to allow an inflow of air. A young child may suffocate when placing the product on its mouth and nose.

The brand is unknown. The type/number of model is Baby stacking cups random style / A F10-C-3 B2089 SI. The batch number is unknown. The barcode is 6938560800072.

The product was sold online through the Wish platform.

### What to do:

Given the online availability of this product, it may have been sold to customers in the Republic of Ireland.

If you purchased one of these products, please discontinue use immediately, discard the product immediately and keep it out of the reach of children. You may wish to contact the online store from where you purchased this product to see if there are any remedies available to you. This can be done via your user account on the relevant platform.
