## Product Safety Information Notice on a Set of Surprise Eggs

📅 FEBRUARY 18, 2022

A safety issue has been identified with a set of surprise eggs in assorted colours sold on the eBay platform.

The risk associated with the product is that of a choking hazard and a suffocation hazard. The toy contains small parts. A young child could be given the toy to play with. The child could put a small part in its mouth and choke on it. Also, as the toy is delivered in a flexible plastic packaging which is not compliant, a child covering its nose and mouth with it could suffocate.

The brand is unknown. The type/number of model is @2671734@ 07-30 / 191225HS01 RUK39 22268778. The batch number is unknown. The barcode is 191225HS01 RUK39.

The product was sold online through the eBay platform.

### What to do:

Given the online availability of this product, it may have been sold to customers in the Republic of Ireland.

If you purchased one of these products, please discontinue use immediately, discard the product immediately and keep it out of the reach of children. You may wish to contact the online store from where you purchased this product to see if there are any remedies available to you. This can be done via your user account on the relevant platform.
