Product Safety Information Notice on a Step Ladder (3 Step) sold on the Amazon platform

📅 MARCH 22, 2023

A safety issue has been identified with a Step Ladder (3 Step) sold on the Amazon Platform.

The product presents a risk of injuries as the uppermost tread/platform is undersized and the base width of the ladder is too small. A user may lose their footing, making their weight unevenly distributed so the ladder could tip over, causing injury.

The brand, the barcode, model number and batch number are unknown. The Amazon ASIN is B0BDS1F8C7.

The product was sold online through Amazon platform. There are approximately 5 affected products in the Republic of Ireland.

What to do:

If you purchased one of these products please stop using the product immediately. You may wish to contact Amazon to see if there are any remedies available to you. This can be done via your user account on Amazon.
