Product Safety Information Notice on a swimming baby doll sold on the AliExpress Platform

📅 FEBRUARY 10, 2022

A safety issue has been identified with the following swimming baby doll which was available on the AliExpress platform.

A safety issue has been identified where the plastic arm of the doll detaches, which presents a choking risk.

Given the online availability of this product, it may have been sold to customers in the Republic of Ireland.

What to do:

If you believe that you may have purchased an affected product, discontinue use immediately and discard the product immediately. You may wish to contact the online store from where you purchased this product to see if there are any remedies available to you. This can be done via your user account on the relevant platform.
