Product Safety Information Notice on a Teddy Bear Plush Toy sold on the TEMU platform

📅 JUNE 10, 2025

A safety issue has been identified with a Teddy Bear Plush Toy sold on the TEMU platform.

The risk reported is choking as the seams can come apart. The fibrous stuffing material is then accessible and can be ingested by a small child which poses a choking hazard.

The model number is YJCRIEIG. The identification number is 7131914370. All batches are affected. The Goods ID is 601099546642677.

There are approximately 123 affected products in the Republic of Ireland.

What to do:

Customers should stop using the product immediately and keep it out of the reach of children.

Temu has contacted affected consumers regarding this recall on behalf of the seller, and reimbursements have been issued to those impacted.

If you have not received a refund or have further questions or concerns about this product, please contact Temu's Dedicated Customer Service team by following the link [🔗 here](#).
