Product Safety Information Notice on a toy blow pipe ball game

📅 APRIL 13, 2022

A safety issue has been identified with the following toy blow pipe ball game which was sold online through Amazon.com, and may have been available through other stores or marketplaces or other Amazon websites.

A safety issue has been identified with the affected products, where due to the small size of the ball, a child may put the detachable ball in their mouth, causing a choking hazard.

Given the availability of this product, it may have been sold to customers in the Republic of Ireland.

What to do:

If you believe that you may have purchased an affected product, discontinue use immediately and discard the product immediately. You may wish to contact the online store from where you purchased this product to see if there are any remedies available to you.
