Product Safety Information Notice on a toy gun

📅 APRIL 13, 2022

A safety issue has been identified with the following toy gun set which was sold online through Amazon.co.uk, and may have been available through other stores or marketplaces or other Amazon websites.

Safety issues have been identified with the affected products, where certain chemicals present exceeds the legal limit, and the suction cups on the arrows may detach from the arrows, presenting a choking hazard.

Given the availability of this product, it may have been sold to customers in the Republic of Ireland.

What to do:

If you believe that you may have purchased an affected product, discontinue use immediately and discard the product immediately. You may wish to contact the online store from where you purchased this product to see if there are any remedies available to you.
