## Product Safety Information Notice on a turtle soft toy sold on the Wish Platform

📅 JANUARY 17, 2022

A safety issue has been identified with the following turtle soft toy which was available on the Wish platform.

Safety issues have been identified where due to detachable small parts, higher than permitted DBP (dibutyl phthalate) content, and higher than permitted lead content, there is a risk of choking and a risk of poisoning.

There are approximately 51 affected products in the Republic of Ireland.

### What to do:

If you believe that you may have purchased an affected product, discontinue use immediately and discard the product immediately. Purchasers of these products from the Wish platform will be alerted by Wish of this issue.
