## Product Safety Information Notice on a USB Adapter sold on the Wish Platform

📅 JANUARY 5, 2022

A safety issue has been identified with the following 4 port USB adapter which was available on the Wish platform.

There are multiple non-conformities in regards to internal components, which may result in an electric shock to the user.

There are approximately 12 affected products in the Republic of Ireland.

### What to do:

If you believe that you may have purchased an affected product, discontinue use immediately and discard the product immediately. Purchasers of these products from the Wish platform will be alerted by Wish of this issue.
