Product Safety Information Notice on Airshield UVC Air Purifier Lamp

📅 AUGUST 25, 2025

Product Safety Information notice on Airshield UVC Air Purifier Lamp sold online by irish-supply.com

The product does not comply with the requirements of the European Union (Low Voltage Electrical Equipment) Regulations 2016, as amended. Due to unshielded exposure and the UVC emitting claims made by this product, health and safety risks cannot be ruled out.

The brand is Airshield. There are approximately 2,459 affected products in the Republic of Ireland. The products were sold online through Irishsupply.com.

What to do:

If you have purchased one of these products, please stop using it immediately. You may wish to contact [Irish Supply](https://www.irishsupply.com) to see if there are any remedies available to you.
