Product Safety Information Notice on an AIBOO Wall Lights sold on Amazon

📅 FEBRUARY 20, 2024

A safety issue has been identified with an AIBOO Wall Light sold on Amazon.

The product presents a risk of fire and burns. The mains supply cord has excessive resistance which, if the product was plugged in, could lead to overheating and the cord catching fire. This in turn could lead to the user getting burnt from touching the plug or from debris. The plug also did not meet the dimensional requirements of the relevant safety standard.

The brand is AIBOO. The model number is HYT-1202000. Amazon ASIN is B07KXLN2YP. The barcode and batch number are unknown.

The product was sold online through Amazon. There are approximately 24 affected products in the Republic of Ireland.

What to do:

If you purchased one of these products, please discontinue use immediately. You may wish to contact Amazon to see if there are any remedies available to you. This can be done via your user account on Amazon.
