Product Safety Information Notice on an Alpine Child's Black Hoodie

📅 MARCH 10, 2022

A safety issue has been identified with an Alpine child's black hoodie sold on the eBay platform.

The risk associated with the product is that of Asphyxiation. The cord leading from the hood is not attached to the clothing and has free ends. The product creates a risk of accidental catching, which may lead to strangulation.

The brand is Alpine. The type/number of model is Alpine – CTLD18BA. The batch number is unknown. The barcode is unknown.

The product was sold online through the eBay platform.

What to do:

Given the online availability of this product, it may have been sold to customers in the Republic of Ireland.

If you purchased one of these products, please discontinue use immediately, discard the product immediately and keep it out of the reach of children. You may wish to contact the online store from where you purchased this product to see if there are any remedies available to you. This can be done via your user account on the relevant platform.
