Product Safety Information Notice on an Aomeya Table Lamp sold on the Amazon platform

📅 JULY 6, 2023

A safety issue has been identified with an Aomeya Table Lamp sold on the Amazon platform.

The product presents a risk of electric shock as the basic insulation surrounding the live wire is insufficient and, therefore, does not meet the requirements of the relevant regulations.

The brand is Aomeya. The Amazon ASIN number is B09TSRGR2Z. The model number is CT4B. The barcode is X001J2K8D5. The batch number is unknown.

The product was sold online through the Amazon platform. There are approximately 372 affected products in the Republic of Ireland.

What to do:

If you purchased one of these products please discontinue use immediately and keep it out of the reach of children. You may wish to contact Amazon to see if there are any remedies available to you. This can be done via your user account on Amazon.
