## Product Safety Information Notice on an E-Reader Charger sold on the eBay platform

📅 JULY 12, 2023

A safety issue has been identified with an E-Reader Charger sold on the eBay platform.

The product presents a serious risk of electric shock as it does not comply with the requirements of the relevant safety standard.

The model number is UKA1005G5. The eBay item number is 393429584915. The brand, barcode and the batch number are unknown.

Given the online availability of this product on the eBay platform, it may have been sold to customers in the Republic of Ireland.

### What to do:

If you purchased one of these products, please discontinue use immediately and discard the product. You may wish to contact the eBay seller to see if there are any remedies available to you. This can be done via your user account on the relevant platform.
