Product Safety Information Notice on an electric charger transformer sold on the Wish Platform

📅 DECEMBER 21, 2021

A safety issue has been identified with the following electric charger transformer which was available on the Wish platform.

There is a defect in the insulation between the primary and secondary circuits, and the presence of a non-compliant capacitor connecting the two circuits may cause an electric shock.

There are approximately 22 affected products in the Republic of Ireland.

What to do:

If you believe that you may have purchased an affected product, discontinue use immediately and discard the product immediately. Purchasers of these products from the Wish platform will be alerted by Wish of this issue.
