## Product Safety Information Notice on an inflatable beach ball sold on the Wish Platform

📅 FEBRUARY 10, 2022

A safety issue has been identified with the following inflatable beach ball which was available on the Wish platform.

A safety issue has been identified where the product contains higher than permitted levels of the chemical DEHP.

There are approximately 4 affected products in the Republic of Ireland.

### What to do:

If you believe that you may have purchased an affected product, discontinue use immediately and discard the product immediately. Purchasers of these products from the Wish platform will be alerted by Wish of this issue.
