The risk associated with the product is that of fire as the gas supply elbow joint from the gas hob to the gas supply may fracture, which can cause gas to leak through the fracture and presents a serious fire risk which could pose a risk to health, or even death.

The brands are Belling. The batch numbers and the barcodes are unknown. The 10 models can be viewed below:

We currently understand the number of the above product units sold to customers in the Republic of Ireland is 1854.

What to do:

It is vitally important that consumers do not use their gas hob. The gas hobs above must be urgently inspected and modified. This will be conducted free of charge by a Registered Gas Installer.

If customers are affected by this issue they can contact Glen Dimplex at 01 8428222 or via email on serviceireland@glendimplex.com

In the meantime, if you smell gas, please contact Gas Networks Ireland immediately on 1800 20 50 50.
