Product Safety Information Notice on BLUEQUE V3 Professional Nail Lamp sold on the Wish platform

📅 FEBRUARY 25, 2025

A safety issue has been identified on a BLUEQUE V3 Professional Nail Lamp sold on the Wish platform.

The risk reported to the CCPC is electric shock. The capacitors used as protective impedance between the primary circuit and the secondary circuit are inadequate. The user can access live parts and receive an electric shock.

The brand is BLUEQUE. The type/number of models is V3. The wish ID is 661e4e15a2c234c3918ac342.

Given the online availability of this product, it may have been sold to customers in the Republic of Ireland.

What to do:

If you purchased one of these products, please stop use immediately and discard the product. You may wish to contact Wish to see if there are any remedies available to you. This can be done via your user account on the Wish platform.
