## Product Safety Information Notice on certain Baby carriers sold on the eBay platform

📅 JULY 27, 2023

A safety issue has been identified with certain Baby carriers sold on the eBay platform.

The product presents the risk of Injuries. The baby is being transported in a baby carrier that does not comply with the requirements of the relevant safety standards.

The carrier bends sideways or forwards with the baby. Due to the insufficient attachment options on the baby carrier, adequate support cannot be guaranteed. The baby may slip out of the carrier. The baby may fall and fatally injure itself.

The model number is UK-A68101. The brand, barcode and batch number are unknown.

The number sold by the eBay platform is unknown, however, given the online availability of this product, it may have been sold to customers in the Republic of Ireland.

### What to do:

If you purchased one of these products, please discontinue use immediately. You may wish to contact the eBay seller to see if there are any remedies available to you. This can be done via your user account on the eBay platform.
