Product Safety Information Notice on certain Lamps sold on the eBay platform

📅 APRIL 13, 2023

A safety issue has been identified with certain lamps sold on the eBay platform.

The product presents a fire risk. The product's plug has a counterfeit fuse which was not supplied with any granular filler, which could therefore lead to a fire.

The brand, batch number and barcode are unknown. The model number is 323N.

The product was sold online through the eBay platform.

What to do:

Given the online availability of this product, it may have been sold to customers in the Republic of Ireland.

If you purchased one of these products, please discontinue use immediately and discard the product. You may wish to contact the eBay seller to see if there are any remedies available to you. This can be done via your user account on eBay.
