Product Safety Information Notice on Children's Simulation Bus Phone Toy on the eBay Platform

📅 APRIL 17, 2025

A safety issue has been identified with Children's Simulation Bus Phone Toy on the eBay platform.

The risks reported to the CCPC are choking, and chemical. The product has small parts which may easily detach (left rear wheel). The battery compartment can also be easily opened, leaving the button batteries accessible. A child may put the small parts and batteries in the mouth and swallow them, which could cause damage to the child's gastrointestinal tract and lead to choking.

The model is ZH1411.

The product was sold online through the eBay platform.

What to do:

Given the online availability of this product, it may have been sold to customers in the Republic of Ireland.

If you purchased one of these products, please discontinue use immediately and discard the product. You may wish to contact the eBay seller to see if there are any remedies available to

you. This can be done via your user account on eBay.
