Product Safety Information Notice on Children's Activity Ball sold on the TEMU platform

📅 APRIL 29, 2025

A safety issue has been identified with a Children's Activity Ball sold on the TEMU platform.

The risk reported to the CCPC is choking. The activity ball has small parts (blue and orange silicone parts and plastic rings) which may detach under force and also protruding parts. A child may put them into the mouth and choke.

The brand is HUANGER. The model number is 4211. The bar code is 4885474465. The product ID is 601099548534170.

There are approximately 216 affected products in the Republic of Ireland.

What to do:

Customers should stop using the product immediately and keep it out of the reach of children.

Temu has contacted affected consumers regarding this recall on behalf of the seller, and reimbursements have been issued to those impacted.

If you have not received a refund or have further questions or concerns about this product, please contact Temu's Dedicated Customer Service team by following the link [🔗 here](#).
