Product Safety Information Notice on Crystal Fruit Mud Toy Slime

📅 MAY 18, 2022

A safety issue has been identified with Crystal Fruit Mud Toy Slime sold on the 5Euro platform.

The risk associated with the product is that of chemical. The migration of boron from the toy is too high. Ingestion or contact with an excessive quantity of boron may harm the health of children by damaging their reproductive system.

The brand is unknown. The type/number of model is Z5647 – Z5647 – 3327. The batch number is unknown. The barcode is 5900949405674.

There are approximately 4 affected products in the Republic of Ireland. The product was sold online through the 5Euro platform. 5Euro took action and removed the product from the 5Euro platform.

What to do:

If you purchased one of these products, please discontinue use immediately, discard the product immediately and keep it out of the reach of children. You may wish to contact the online store from where you purchased this product to see if there are any remedies available to you. This can be done via your user account on the relevant platform.
