Product Safety Information Notice on Electric Toy Gun sold on Amazon

📅 OCTOBER 25, 2023

A safety issue has been identified with Electric Toy Gun sold on Amazon:

The product presents a risk of injury and asphyxiation. The product itself is made such that a sharp object can be placed inside and fired. This could result in serious injury if the object were to hit someone. In addition, the darts, and the flexible plastic bag used for packaging pose a potential asphyxiation risk.

The ASIN numbers are B09TXX4F8Z and B09NLKLSSS. The model number is HK416D. The SKU is XMF-TG-SILVER-UK. The other identifiers are X001J5QB6P, X001J47U0R, FBA15GTTSTHLU000063 and FBA15GZQ1YTTU000097. The brand and batch number are unknown.

The product was sold online through Amazon. There are approximately 193 affected products in the Republic of Ireland.

What to do:

If you purchased one of these products, please discontinue use immediately and keep out of the reach of children. You may wish to contact Amazon to see if there are any remedies available to you. This can be done via your user account on Amazon.
