Product Safety Information Notice on Fiorky Wax Seal Warmer sold on Amazon

📅 MARCH 8, 2024

A safety issue has been identified with Fiorky Wax Seal Warmer sold on Amazon.

The product presents a risk of fire and burns. The plug and adaptor provided are not compatible with the plug and socket systems used in Ireland. Also, if the product continues to melt and evaporate, the wax fuel may deplete and dry boil may occur, resulting in overheating. Overheating can then generate flames.

The brand is Fiorky. The model is MY-H360A. The barcode and batch number are unknown.

The product was sold online through Amazon. There are approximately 1 affected product in the Republic of Ireland.

What to do:

If you purchased one of these products, please stop use immediately. You may wish to contact Amazon to see if there are any remedies available to you. This can be done via your user account on Amazon.
