

PRODUCT RECALLS

Product Safety Information Notice on Fun Floating Bath Toys sold on the TEMU platform

📅 JANUARY 20, 2025

A safety issue has been identified with a Fun Floating Bath Toy sold on the TEMU platform.

The risk reported to the CCPC is choking. The product contains small parts (flippers) that a young child could place in their mouth and swallow, posing a choking hazard.

The bar code is 2671457393.

There are approximately 255 affected products in the Republic of Ireland.

What to do:

Customers should stop using the product immediately and keep it out of the reach of children.

Temu has contacted affected consumers regarding this recall on behalf of the seller, and reimbursements have been issued to those impacted.

If you have not received a refund or have further questions or concerns about this product, please contact Temu's Dedicated Customer Service team by following the link [here](#).
