Product Safety Information Notice on Hair Curling Wand sold on Amazon

📅 MARCH 14, 2024

A safety issue has been identified with Hair Curling Wand sold on Amazon.

The product presents a risk of electric shock. The screws in the barrel break down the single insulation during normal use and storage of the product. The metal parts accessible to the consumer may become live due to the fault and lack of earthing.

The ASIN number is B086ZHFVJC. The model number is SM-C505. The barcode is X001B4IM0R. The other product identifiers are FBA15HBBJ8JCU000008. The brand and batch number are unknown.

The product was sold online through Amazon. There are approximately 52 affected product in the Republic of Ireland.

What to do:

If you purchased one of these products, please discontinue use immediately. You may wish to contact Amazon to see if there are any remedies available to you. This can be done via your user account on Amazon.
